

Lesson Plan:

Biography Report using Epic!

Objective

Students will:

1. Learn what a biography is.
2. Explore several different types of biographies on Epic! both in book and educational video form.
3. Choose one notable person they would like to learn more about.
4. Use Epic! to read and watch educational videos to explore more about their chosen person.
5. Practice note-taking, writing and reporting.
6. Gain public speaking experience.

Materials

1. Epic! app or web app
2. Paper and pencils

Preparation

1. Create an Educator Account on Epic!
2. Create individual student profiles for each student
3. Load Epic! onto tablets or computers

Lesson Procedure

1. Explain to students that they will be searching for books and educational videos about a person's real life and achievements.
2. Ask them to take notes on facts about the person as they read or watch on Epic!
3. Encourage them to look for more than one book or educational video about the person to learn more facts.
4. Ask students to fill out biography report sheet.
5. Allow students to present their research to the class!
